## BIRKENHEAD DESERVES A FLAGSHIP MARKET

Birkenhead Market Traders Association Vice Chair talks with Jo and other Green councillors about refurbishing the existing market site

People were promised a brand new market for Birkenhead. Recently Green Councillors voted to keep exploring plans for a flagship market on the House of Fraser site – but Labour and Tory Councillors voted to scrap these plans.

Birkenhead Market Traders oppose being shoehorned into the former Argos store, underneath pollution from a multi-storey car park. Over 1,600 people have signed their petition, calling on Wirral Council to fulfil the promise and create a flagship market for Birkenhead.

Jo says, *“Birkenhead deserves a better market at the heart of our town centre. There are government grants of £85 million to revitalise Birkenhead. Cleaning up and building on brownfield sites is essential to protect our precious green belt, parks and urban green spaces. Everything is connected.”*

## JO CALLS FOR CEASEFIRE IN GAZA

Many people are distressed by the awful injustice, violence, hunger and deaths in Israel and Palestine. Over twenty four thousand men, women and children have been killed since early October.

The Labour Party's candidate for Birkenhead did not vote for ceasefire, she abstained in the House of Commons.

Cllr Jo Bird, who is Jewish, said at public protests, *"Israel claims to be a Jewish state. I say, not in my name does Israel kill innocent civilians nor put its own citizens in danger. We the people need to elect better politicians. MPs that will vote FOR ceasefire not more war."*

Wirral Green Party continues to call for ceasefire now and long-lasting peace
